

Nansloe Academy & Nursery

Head of School: Mrs A Webb

Dear Parents

I hope all had an enjoyable Easter break. The weather was great and I certainly took the opportunity to spend some time outside enjoying the sunshine. It has been a busy first week back at school. With Flora Day just around the corner, the children have been spending time rehearsing the dance to ensure they are prepared for what is going to be a very exciting day - it has certainly been missed for the last two years! We have also made a start on a new topic - Energy!

Accompanying this letter is a topic overview that will give you an insight into the activities and areas of learning that the children will be participating in this term. You will also receive a homework challenge just before the half-term break.

As a class we are still prioritising reading outside of school, with the expectation that children are reading daily and fill in their reading records. Reading a book that is suitably challenging really supports a child's learning in all areas of the curriculum. Spelling and Maths homework will continue to be sent home on a Friday and will need to be returned by the following Friday.

P.E will take place on a Monday and Wednesday afternoon this half of term. We also have Sports Day to look forward to this term so it is important that the children have their kit in school all week.

Finally, if you have any questions or require more information, please don't hesitate to speak to me on the gate or alternatively leave a message with the office and I will get in touch with you.

Thank you for your continued support.

Mr Rapson
