

Year 2
Home Learning Project
Fire, Fire!

Our topic this term is 'Fire, Fire!' and the children are currently enjoying learning about The Fire of London.

Now it is time to extend that learning at home.

Your project could be about the Fire of London or about another element of our topic e.g. Dragons

There are a few different choices of projects below, depending on your interest and learning style. Hopefully something for everyone!

Please choose one of the following to complete at home:

- Make a Fire of London scene using wood and cardboard to make the houses
- Draw, paint or make a 3-D model of a mythical creature like a dragon. What are its special powers? What does it eat? Where does it live?
 - Write a poem about the Fire of London
- Visit your local library to browse or borrow story and information books about the Fire of London or Dragons and make an information poster.
- Write or film a book review about your favourite dragon book/story or a Non-Fiction book about The Fire of London.

The choice is yours! The most important thing is to have fun and involve your family!

Projects to be submitted by
10th June 2022

Projects will be shared in class and in an afternoon session with you after half term.
Date to be confirmed soon.

If you are stuck for ideas or need any help, please contact Miss Farnell.

Have fun!
